

Lynch Cyn - Jon L. Mtry next week

Serpel - still

Coalinga - waiting for commits. JZ - they are reviewing  
next wk reply. To EPA after that.

Cat Cyn - still internal mtgs. Jonatha B mtry next wk.

Oxnard, Holson - blah blah

\* Lompoc - Mtry w/ Jon / JZ on water well inventory  
separate discussion.

New dates for Prelim. On. - 6 months

Transition plans -

Lynch Cyn - want SM - "no" find another route  
looking for "D" sands Nov 16 - sample results  
no injection into SM.

#### GWPC Peer Review Study

April 2020 release EPA asking about -  
Amit reached out to ULLA office - completed draft assess from 2019

- \* Can we get the recommendations slides from Amit GWPC recos slides
- \* f/u meeting on the findings of GWPC. I invite w/B.

#### Class VI

- Applic. CES. status update - technical review letter

(\*) get copy of letter to Vincent (Calvin)

7m tones / 20 years  
10,400' depth what is the uplift?

3 miles away - off set wells

\$ Can we accept comments from the State in writing? EPA  
will set up a meeting.
